### **Convention Scholarship**

To help offset the costs and allow members to experience the benefits of a CREW Network Convention, MNCREW is pleased to announce that we will award two (2) scholarships of up to \$1,500 per scholarship. Anticipated expenses include airfare, transportation to and from the convention hotel, registration fees and room cost. Scholarship monies up to a maximum of \$1,500 will be paid as a reimbursable expense to recipients, upon submittal of expenses after attending the convention.

*For the best experience, we highly recommend attending in-person and will prioritize applications from members who plan to attend in-person. If you plan to attend virtually, please note that on your application and explain how this will benefit you. Scholarships awarded for virtual attendance will be limited to the amount of the registration fee.*

To be eligible, you must be a first-time Convention attendee and demonstrate commitment to the success of our chapter through active membership. A review committee has been appointed and will make recommendations to the Board. Members currently serving in leadership positions within MNCREW (Board or co-chairs) will receive priority ranking in the selection process. Selected recipients will be announced at the July 21, 2021 lunch program and will be notified via email prior to that. Selected recipients must confirm their intent to attend by July 28, 2021.

**Scholarship recipients will be expected to write a brief article on their experience for the MNCREW newsletter.**
